Private Label Manufacturing Process

01 **Understanding your Requirement**

02 **Product Selection from Available Stock Products**

03 **Sample Evaluation with Minor Customization**

04 **Cost Estimation and Approval**

05 **Order Confirmation**

Quality Control

We develop all cosmetics products in-house and also are in full-access to control and regulate consistency in dispatch and supply of products in the Cosmetics Industry. All of this is done within rigorous quality guidelines under the surveillance of our in-house tech team of quality control experts. Needless to add, we strictly follow ISI standards and GMP guidelines at every stage of production, only to ensure matchless quality, purity, and perfection of our products. We take pride in saying that our unswerving commitment to the quality of our products and services is what sets us apart. This is reflected by the satisfaction of our customers, which acts as a testimony to our exponential growth.

Research & Development

R&D is the backbone of Priyal Cosmetics. Our department comprises of the Head R&D and an eclectic group of top-notch professionals including chemists who have been responsible for the development of renowned brands.

They strive not only towards researching new trends and widening the range of products, but also towards constantly improving and perfecting the projects on-hand. Our products are at par with international standards of quality, usage, and effectiveness.

The R&D unit is a modern facility with a fully-equipped microbiological lab armed with the latest techniques. It facilitates every aspect of product development including development of formulations, testing, and packaging development. The products we develop mirror the current trends and demand of consumers around the globe.

Apart from the above responsibilities, R&D also shares the mantle of quality control and is actively involved in the following activities:

- **Material safety data sheets**
- **Analytical techniques**
- **Formulating new products**
- **Quality control of current products**
- **Quality assurance on all dispatches**
- **Stability testing up to 3-6 months in various climactic condition for all products**
- **Quality Assurance**

Creams & Lotion

Natural Vita Rich Under Eye Cream for Dark Circles

30/50 gm

- REDUCES DARK CIRCLES & PUFFINESS: Enriched with Coffee Oil, our Natural Vita Rich Under Eye Cream helps improve blood circulation, reducing dark circles while Chamomile Oil adds a soothing effect, reducing puffiness after sleepless & tired nights.
- REDUCES FINE LINES & WRINKLES: For every mom whose skin needs to fight the signs of premature ageing, Niacinamide in our Natural Vita Rich Under Eye Cream helps to restore the delicate area by helping skin improve its natural production of skin-strengthening ceramides.

SPF 50 Sunscreen

50/100 gm

Broad Spectrum SPF 50, PA++++
A light weight, moisturiser-meets-sunscreen. This broad spectrum SPF 50 with PA++++ rating, has a very light texture that spreads easily & disappears leaving behind a natural, moisturised, non-shiny look. Loaded with Vitamins A, B, E & F that help repair skin and minimise damage caused by UV exposure.

- This sunscreen is formulated with 4 very effective UV-filters, namely, Uvinul T 150, Avobenzone, Octocrylene and Titanium Dioxide to provide protection from UVA & UVB
- Boosted with Vitamin A, B3, B5, E and F that not only repairs skin after sun exposure, but also soothes, nourishes and hydrates skin
- Thoroughly tested by an independent lab and confirmed SPF of 50 was obtained
- It is a Photostable & Acne safe sunscreen that does not leave any white cast on application. Also, it spreads easily like a lightweight moisturiser and does not leave behind unwated residue or heavy feeling

Vitamin B5 10% Moisturizer

30/50 gm

Provides Lightweight Moisturization & Repairs Skin
An everyday moisturizer for hydrating, nourishing and repairing skin. A light-weight, oil-free product with high concentration of Vitamin B5 (Panthenol), formulated especially for oily / combination skin.

- A very high concentration of Vitamin B5 / Panthenol (at 10%) for deep, oil-free moisturization and repairing skin
- Combination of Zinc, Copper, & Magnesium has a radical scavenging effect. They inhibit the cellular free radical formation & provide clear, fresh skin
- Boosted with Hyaluronic Acid & Betaine for providing multi-level hydration

Sepicalm 03% Moisturizer

30/50 gm

Skin Soothing, Lightweight Moisturization
A lightweight moisturizer that hydrates, soothes, and softens skin, without oily, shiny or heavy residual feel. Perfect blend of hydrators, emollients and occlusives for all day moisturization. Suitable for Normal, Acne-Prone & Sensitive Skin.

- Formulated for Normal & Oily Skin in mind, this moisturizer is super light weight, absorbs quickly and does not give a shiny finish
- Sepicalm combines Amino Acids with Minerals to soothe / comfort irritated skin and calm redness caused by UVA / UVB
- Polyglutamic acid for skin hydration. It's a new generation hydration molecule which can hold 4 times more water than Hyaluronic Acid and reduces transepidermal water loss as well at the same time
- Also contains Oat extract, Colloidal Oat, Squalane, Vitamin B5 and Amino acid to further nourish & calm skin

Ceramides 0.3% + Bisabolol

30/50 gm

Strengthens Skin Barrier, Hydrates & Soothes
An everyday moisturizing cream with 5 Ceramides to restore & repair skin's natural barrier & prevent water loss. A ultra moisturizing cream suitable for dry / normal skin.

- 0.3% active concentration of 5 skin essential ceramides along with Ursolic Acid for repairing damaged skin barrier
- Formulated with Ceramide:Cholesterol:Fatty Acid in ratio of 3:1:1, which is proven to accelerate skin barrier recovery
- Boosted with Bisabolol & Asiaticoside which are powerful skin soothing ingredients
- Aquaporin boosting ingredients, along with Saccharide Isomerate & Betaine for providing intense skin hydration

Marula Oil 05% Moisturizer

30/50 gm

Deep & Intense Moisturization. Treats Dryness, Roughness and Flakiness
An everyday moisturizing cream with 5% Marula Oil, paired with Vitamin F and Vitamin E to nourish, moisturize and improve skin softness. It's a heavy cream, suitable for dry/damaged to normal skin types.

- Formulated with 5% Marula Oil that softens, nourishes and revitalizes the skin. It has high content of Omega-9 fatty acid and and has antioxidant properties
- Multiple hydrators like Hyaluronic Acid, Saccharide Isomerate and Glycerin, hydrate skin and make it soft & supple
- Contains Vitamin F and Vitamin E for repairing dry, sensitive, mature, and damaged skin with disturbed lipid barrier

Niacinamide 05% Body Lotion

100/200 ml

Keeps skin healthy & hydrated
A daily, lightweight, nourishing body lotion infused with Niacinamide, Glycerin & Shea Butter that hydrates, nourishes and repairs skin.

- A well-balanced formula containing humectants, emollients and occlusives to keep skin hydrated & moisturized throughout the day
- Multi-functional Niacinamide (5%) repairs epidermal barrier function, reduces transepidermal water loss resulting in improvement in the moisture levels of the skin, stimulates ceramide synthesis, and soothes skin
- Glycerin, a known humectant at a high concentration of 20% keeps skin hydrated. At this concentration, Glycerin is proven to significantly increase skin corneometer values, indicating an increased hydration, after just 10 days of application

Moisturizing Cream With Aloe Vera, Vitamin E and Squalene

30/50 gm

Everyday Use Cream, Smooth and Moisturized Skin for Long Hours, Non-Greasy

- Venusia Moisturizing Cream is meant to provide nourishment and moisturization that your skin needs to stay healthy, soft and glowing forever
- Its non-greasy formula keeps stickiness away from the skin while restoring the hydration so that your skin looks fresh and revitalized for long
- Its antioxidant and anti-inflammatory properties protect skin from from the ill-effects of free radicals which attack the skin when it gets exposed to dirt, dust, and pollutants.
- Scloren Moisturizing cream comprises of Aloe Vera, Vitamin E and Squalene-proven ingredients that make skin beautiful and vibrant

Cocoa Butter Intensive Body Lotion

100/200 ml

- Hydra-Nutri balance locks natural moisture and provides essential hydration. Improves the skin's ability to absorb and hold moisture.
- For dry skin.
- Formulations containing herbs tend to change color over time. However, the product efficacy remains unchanged.

Rich Cocoa Butter Body Cream

50 gm

Apply Scloren Rich Cocoa Butter Body Cream generously and evenly using a circular motion. Pay special attention to severely dry areas, gently massaging the body cream in.

Best used after bathing when your skin is most receptive to hydration.

Winter Defense Moisturizing Cream

30/50 gm

Apply Scloren Winter Defense Moisturizing Cream gently all over the body, with special attention to severely dry areas, slowly massaging it in. Best used after bathing when your skin is most receptive to hydration.

Olive Oil Extra Nourishing Cream

30/50 gm

Massage gently on cleansed body, face, and neck.

- Dermatologically tested.
- For external use only.

Nourishing Body Lotion

100/200 ml

Scloren Nourishing Body Lotion, the non-greasy body lotion leaves skin feeling soft, supple and toned.

Age Defying Hand Cream

30/50 gm

Scloren Age Defying Hand Cream is a unique, daily-use formula. It rejuvenates the skin, giving you younger looking hands. This non-greasy cream is quickly absorbed by the skin.

Aloe Vera Refreshing Body Gel

30/50 gm

Moisturizes, cools, and soothes skin.

Scloren Aloe Vera Refreshing Body Gel is formulated with the goodness of Aloe Vera gel. Our product moisturizes, cools, and soothes skin, giving a fresh, soft, supple, and non-oily feel. The body gel, dermatologically tested, is a light and non-greasy moisturizer for daily use. There are no artificial colors, and the product is free from Parabens, Phthalates, and Methylisothiazolinone (MIT). You can use it for a gentle massage to refresh your skin or to soothe dry, irritated, or sunburnt skin.

Facewash

Blemishes Face Wash with Mulberry and Vitamin C

50/100 ml

Serum

Vitamin C Serum

30/50 ml

For Brighter, Glowing & Healthy Looking Skin

A glow-boosting daily serum packaged with the goodness of Vitamin C & Polyhydroxy Acid (PHA) that brightens and tones sun damaged and dull skin with dark spots.

Made with stabilized Vitamin C derivative "Ethyl Ascorbic Acid" that has 86% pure Vitamin C content. That is much higher than 40-50% content present in other Vitamin C derivatives. At a pH of ~4.0 it is highly stable and effective

Alpha Arbutin

30/50 ml

Reduces Dark Spots, Marks & Evens Skin Tone

An anti-pigmentation daily serum with high purity Alpha Arbutin along with Butylresorcinol for dramatically reducing dark spots and blemishes for brighter, even-looking skin.

A skin tone enhancing serum with a potent & safe skin lightening active Alpha Arbutin (9 times more effective than Beta Arbutin) that ensures even tone in 5 weeks Butylresorcinol can strongly inhibit the activity of tyrosinase, resulting in reduction of hyperpigmentation & age spots. Found to have 20 times more potent inhibitory activity than Kojic Acid in a clinical study

Salicylic Acid 02%

30/50 ml

Reduces Acne, Blackheads & Excessive Oil

A daily gentle exfoliant with 2% salicylic acid that wards off acne, blackheads and keeps your oils in check for that flawless matt looking skin.

Our high-purity salicylic acid easily penetrates the pore lining and scoops out the dirt, debris, and sebum, so skin looks clear and baby-soft

Niacinamide 5/10%

30/50 ml

For reducing sebum & pores, and even skin tone

A daily serum formulated with pure Vitamin B3 (Niacinamide) and Matmarine. Niacinamide reduces the sebum level of the skin, improves the barrier & evens our skin tone. Matmarine is a perfect biotechnological ingredient to reduce excess sebum, shine, pores & spots.

Unique blend of highly effective ingredients - Niacinamide, Matmarine, Zinc and Acetyl Glucosamine Pure 10% Niacinamide is clinically proven to promote protein synthesis, reduce melanin concentration & improve skin complexion in 2 weeks

Hyaluronic + PGA 02%

30/50 ml

Intense, Multi-Level Hydration without the Oily Feel

A hydrating booster with 4 different types of Hyaluronic Acid Molecules along with super hydrator Polyglutamic Acid (PGA). Provides multi-level hydration throughout the day.

This fast absorbing formula contains a blend of 2 highly powerful hydrators - Hyaluronic Acid & Polyglutamic Acid. Together they provide multi-level hydration & instant plump look

AHA PHA BHA 10/32%

30/50 ml

Weekend Exfoliator for Instant Glow & Soft Skin

A powerful peeling trio of 25% AHA, 5% PHA & 2% BHA that provides multi-level exfoliation, both on the surface & inside the pores, giving you a healthy, plump, and glowing skin.

A whopping 25% AHA, 5% PHA & 2% BHA blend formulated at a pH of 3.4 - 3.8 for maximum effectiveness. AHA & PHA exfoliates while BHA clears congestion of pore, delivering incredible brightening & elastic feel for the baby-soft complexion

Hair Growth Actives 18%

30/50 ml

Reduces Hairfall & Promotes Healthy Hair Growth

A powerful hair growth serum with blend of 5 proven ingredients (Capixyl, Redensyl, Procapil, Anagain, and Baicapil) in a high concentration of 18%. A potent combination of peptides & extracts for fuller, thicker hair.

A super potent, multi-functional hair growth serum containing 5 proven ingredients. Capixyl 5% + Redensyl 3% + Procapil 3% + Anagain 3% + Baicapil 4%. Starts to show reduction in hairfall by 8th week and new hair growth by 12th week

Retinol 0.3/0.6%

30/50 ml

Powerful Anti-aging Serum for Fine Lines & Wrinkles

A highly stable & powerful anti-aging face serum packed with Retinol and antioxidant Coenzyme Q10. This water-free serum keeps Retinol stable & also nourishes skin.

Contains 0.3% pure Retinol in water-free formulation. Retinol is proven to fade fine lines & wrinkles, even skin tone and smoothen skin Packed with potent antioxidants. Coenzyme Q10 is an outstanding radical scavenger and visibly reduces wrinkle depth. It is coupled with Tocopherol (Vitamin E), another antioxidant, that nourishes & repairs skin

Tranexamic 03%

30/50 ml

Reduces Melasma, PIE, PIH & Scars

A powerful serum to effectively diminish the appearance of Melasma, PIE, PIH, and hyperpigmentation. With the power of 3% Tranexamic Acid and 1% Hydroxyphenoxy Propionic Acid which inhibits melanin transfer with great efficacy and prevents UVB damage.

Made with 3% Tranexamic Acid, which is a derivative of the amino acid lysine. It reduces the activity of melanocyte tyrosinase thereby treating melasma, UV-induced hyperpigmentation, and other post-inflammatory hyperpigmentation

Vitamin C + E + Ferulic 16%

30/50 ml

Brightens & protects skin

A skin-brightening daily serum with stable Vitamin C at 15% and antioxidants (Vitamin E & Ferulic Acid) at 1% combined.

Made with stabilized Vitamin C derivative "Ethyl Ascorbic Acid" (EAA) that has 86% pure Vitamin C content. This serum delivers EAA in high concentration of 15%

1% blend of 2 potent antioxidants - Vitamin E & Ferulic Acid. Together they not only stabilize the formula, but also improve efficacy of Vitamin C

Multi-Peptides 10%

30/50 ml

For Firmer, Younger Looking Skin

A rejuvenating, collagen boosting serum boosted with peptides that restore youthfulness, resulting in younger, firmer-looking skin.

A Multi-Peptide serum with a power of 7% Matrixyl 3000, a combo of 2 potent peptides that's clinically proven to smoothen wrinkles & increase elasticity

AHA BHA 10%

30/50 ml

Exfoliator for Younger and Glowing Skin

A skin-regenerating daily serum with 10% blend of AHAs (Alpha Hydroxy Acids) and BHAs (Beta Hydroxy Acids) that mildly exfoliates without drying the skin to reveal clear, radiant, and hydrated skin.

This formula uses a balanced composition of AHAs (Glycolic Acid & Lactic Acid) along with BHA (Salicylic Acid) to stimulate exfoliation of the skin and stimulate cell renewal in the skin's epidermis and dermis layers

Glycolic + Tranexamic 11% Body Exfoliator

30/50 ml

Fades Pigmentation & Sun Tan, Evens Texture

A potent body exfoliator that combines power of acids (AHA & BHA) and proven anti-pigmentation actives (Tranexamic Acid & Butylresorcinol) to provide smooth & even looking skin.

8% Glycolic Acid (AHA with small molecular weight) loosens and sloughs away dead skin cells and provides clearer skin and even tone

Maleic Bond Repair Complex 05% Hair Serum

30/50 ml

Repairs and protect hair bonds

A pre-shampoo, hair repair serum with our Patent Pending combination of Maleic Acid, Transglutaminase & Amino Acids to repair damaged hair & make them strong. Formulated with Argan Oil, Squalane & Coconut Oil to nourish hair from the inside out and make them soft and healthy.

A new Patent Pending combination of Maleic Acid, Tranglutaminase and Amino Acids in potent concentration of 5% that repairs weak and damaged hair bonds (caused by UV exposure followed with mechanical stress, heat styling, coloring, & treatment like straightening) and protects hair from further damages

Squalane 100%

30/50 ml

Superior, lightweight Moisturisation

A very lightweight moisturiser that naturally seal in moisture and significantly reduces trans-epidermal water loss in cases wherein the skin barrier is disrupted. Non-sticky and non-comedogenic.

100% lightweight Squalane sourced from olive oil. It prevents transepidermal water loss, restores suppleness and elasticity of skin

Rosehip oil + VC-IP (Vitamin C) 100%

30/50 ml

Brightens, evens tone & reduces signs of photoaging

A pure cold pressed Rosehip oil having high content of essential fatty and unsaturated acids with antioxidant properties. Coupled with 3% VC-IP (Ascorbyl Tetraisopalmitate) which is an oil-soluble vitamin C derivative. The combination brightens, repairs skin, fades scars and also reduces signs of photoaging.

Vitamin B6 + Carnitine 03% Scalp Serum

30/50 ml

Regulates Scalp & Hair Oil

Our Advanced lightweight, non-greasy formula is designed for those who struggle with an oily scalp. A powerful combination of Vitamin B6 and Carnitine regulates excess sebum so your scalp produces less oil, resulting in a less oily scalp. Boosted with Niacinamide & Zinc to regulate excess sebum and add volume to the hair, while Hyaluronic acid ensures the scalp stays well-hydrated

CPH Complex + Oligopeptide 0.8% Anti-Dandruff Serum

30/50 ml

Treats dandruff & itching

Our specialised Anti-Dandruff Serum provides targeted relief from dandruff and gives a nourished, healthy scalp. High active concentration in a non-greasy formula containing Climbazole, Piroctone Olamine, Elestab & Oligopeptide-29, combats dandruff-causing fungus. It also contains Capryloyl Glycine to control excess sebum and Salicylic Acid for gentle exfoliation.
